## 2012 Membership Application

Welcome to the **Novato Theater Company**. You are joining or renewing membership in an organization that has been established longer than most people can remember with our origins dating back to 1919, when we started as a section of the Novato Improvement Club. We were a part of the Novato Community House when it was built in 1923. We incorporated as a non-profit in 1947. We opened the Pacheco Playhouse in 2006 and changed the name to NTC Playhouse in 2009. As a community performing arts center, we have produced hundreds of musicals, comedies, and dramas through community support, ticket sales, and membership volunteerism. Thank you for your interest in the **Novato Theater Company**.

One of the joys of being an NTC Member is the chance to be involved in many areas of theater production and non-profit theater operation. This is really expected of all Members, and is a great way to build friendships in the theater. Please let us know your areas of interest and expertise in theater, so that we know how to involve you effectively in our future activities.
